

# Required Textbooks

Listed below are the required publications each student must have to complete their desired course of study.

The school also produces supplement books of handouts, activities and grade sheets for each respective course to aid the student during their training. These supplements are referenced and used throughout the course and are required materials. Students are responsible for their books and materials. Not all courses are available at each campus. See school for course availability details. • [www.beautyschoolrocks.com](http://www.beautyschoolrocks.com)
